LogSmart

Introducing LogSmart, the template-based digital logging system designed for the food service industry. Replace your paper logs with an instant, secure, and eco-friendly solution that optimizes your daily operations.

Features

Feature 1: Stay Audit-Ready, 24/7 Access instant, tamper-proof, and audit-ready records stored securely in the cloud. Breeze through your next inspection with complete, organised digital logs at your fingertips.

Feature 2: Optimize Your Workflow Stop wasting time on manual paperwork. Our digital system frees up your team to focus on what matters—quality service. Streamline daily checks, reduce errors, and improve operational efficiency.

Feature 3: Smart, Customizable Templates
Get started immediately with pre-loaded, regulatory-standard templates for all your food safety needs. Customize them easily to fit your specific operations, ensuring full compliance.

Feature 4: Go Green. Go Digital.
Make a positive environmental impact by eliminating paper waste. Our digital solution is not only good for your business, but it's also good for the planet.
